Your husband has been awarded the CIA Certificate of Distinction for his courageous performance while assigned to a Foreign Broadcast Information Service field bureau caught in the midst of military hostilities.

Special recognition accorded to Agency employees always extends to the family members who share in the contributions and hardships peculiar to our service. Having experienced the danger and dislocation of hostile action and evacuation, you and your son, [redacted] have joined the small company of those family members with particular claim on special recognition.

I want you and [redacted] to know that you earned a share of this Certificate and that your fortitude will always be a source of pride to FBIS and CIA.

Sincerely,

/s/ W. E. Colby
